

Steven D. Billings, MD

Professor of Pathology, Cleveland Clinic Lerner College of Medicine

Cleveland Clinic

Cleveland, OH

Dr. Steven Billings completed his pathology residency at Indiana University School of Medicine in Indianapolis. Following residency he completed a fellowship in soft tissue pathology. Upon completion of his post graduate studies, he joined the faculty at Indiana University, where he practiced for several years. In 2007 he joined the faculty at the Cleveland Clinic where he serves as co-director of the dermatopathology section and is a Professor of Pathology. His research interests are in dermatopathology and soft tissue pathology with a special emphasis on cutaneous soft tissue tumors. He has authored over 140 peer-reviewed articles, numerous invited reviews and book chapters, and co-authored a book on inflammatory dermatopathology.
