

Bristol-Myers Squibb invites you to learn how

Precision Medicine Starts with Pathology

at the Florida Society of Pathologists' 45th Annual Anatomic Pathology Conference

Current and Emerging Biomarkers: Science, Technologies, and Practicalities

Saturday, February 23 from 12:45 PM – 2:00 PM

Disney's Contemporary Resort, Sorcerer's Ballroom 1 & 2
4600 North World Drive, Lake Buena Vista, Florida 32830

Join Bristol-Myers Squibb for a sponsored lunch symposium featuring

Anthony Magliocco, MD

Chair & Senior Member, Department of Anatomic Pathology,
H. Lee Moffitt Cancer Center and Research Institute

as the keynote speaker to explore current and emerging predictive
Immuno-Oncology (I-O) biomarkers that may have the potential to
change how cancer is treated through precision medicine.

To pre-register, please RSVP at 1-866-326-7600 from 8:30 AM – 5:00 PM EST,
Monday-Friday using meeting ID 190233-NON-44894. Walk-ins are also welcome!

For more information, please visit IOHCP.com and our YouTube channel at youtube.com/bmsIOresearch.

This program is sponsored by Bristol-Myers Squibb and is not accredited for continuing medical education. In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this educational program is limited to healthcare professionals. As such, attendance by guests or spouses is not permitted.

By accepting any food and/or refreshments at this program, you represent that neither your employer nor the particular state(s) in which you are licensed impose restrictions that preclude you from accepting these items.

This invitation is non-transferable.
