Join Us!

Join us for another exciting and informative Summer Pathology Conference, July 13-14, at The Ritz-Carlton in Fort Lauderdale, FL. Learn timely and practical updates on diagnostic strategies and new techniques that can be immediately translated into practice.

5 Reasons you must attend!

1. Immerse yourself in our educational offerings including both anatomic and clinical pathology topics for an ultimate learning experience.

2. Learn new trends and diagnostic strategies and take what you learned back with you to make an impact in your practice or organization.

3. Earn up to 10.5 hours of CME credit + this course is ABP SAMs eligible.

4. Enjoy our family-friendly vacation destination, The Ritz Carlton Hotel, Fort Lauderdale’s only AAA-Five Diamond oceanfront resort.

5. Network with your colleagues and industry professionals after the educational sessions during our networking and social events.

“The FSP EXPERIENCE NEVER DISAPPOINTS. VERY WELL ORGANIZED AND A FANTASTIC VENUE. NOT ONLY GREAT EDUCATIONAL VALUE, but a wonderful time with colleagues.”

LIZARDO CEREZO, MD

A special thank you to our Education Committee led by Education Chair Dr. Jim Zhai for the planning of our educational agenda.
ACCREDITATION/CME INFORMATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and the Florida Society of Pathologists. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The Florida Medical Association designates this live activity for a maximum of 10.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CRITERIA FOR SUCCESS
Statements of credit/participation will be awarded based on the participant’s attendance at each session and submission of the activity evaluation form. A statement of credit will be available upon completion of an online evaluation/claimed credit. If you have questions about this CME/CE activity, please contact the FSP at 904-309-6261.

ACTIVITY FORMAT
Live

TARGET AUDIENCE
This activity is designed to meet the needs of practicing physicians, pathologists, and other specialists involved with pathology.

STATEMENT OF NEED
The field of pathology is constantly changing and making important advances in the field. In the setting of new technology, techniques and advancements in the field, practice gaps are inevitable. As such, pathologists require ongoing educational opportunities to stay current in order to maintain and improve their knowledge and competence in the field.

EDUCATIONAL OBJECTIVES
At the conclusion of this activity, all participants should be able to:

• Discuss diagnostic concepts using relevant case scenarios
• Review current criteria for diagnosis in various subspecialty areas in pathology
• Analyze gastric epithelial polyps, including unusual types
• Discuss updates on the classification and staging of gastric carcinoma to include the correct usage of ancillary testing
• Describe appropriate immunohistochemistry in the work-up of primary liver tumors
• Examine hepatocellular carcinoma (including unusual variants), hepatocellular adenoma, and focal nodular hyperplasia
• Recognize diagnostic features of idiopathic inflammatory bowel disease
• Discuss an appropriate differential for non-IBD colitis patterns of injury
• Examine new and unusual forms of colonic injury
• Examine cervicovaginal reporting terminology in daily practice
• Describe challenges in squamous and glandular lesion diagnostic criteria and how to resolve them
• Discuss challenges of ancillary testing and cytology histology correlation to resolve issues with HPV
• Evaluate salivary gland cytology using the Milan reporting system
• Examine risk of malignancy for each category and benchmark data
• Analyze ancillary testing, i.e immunohistochemistry and molecular testing to further refine their diagnosis
• Analyze the nomenclature, mode of production, main diagnostic application and specificity of molecularly derived antibodies
• Recognize current platelet transfusion thresholds and how platelet refractoriness affects patient response
• Discuss best practices to ensure confidence in the process of reviewing blood bank orders to include a review of effective/ineffective methods, concurrent review, and interactive case studies
• Discuss the basics of molecular diagnostics for the practicing pathologist

COMMERCIAL SUPPORT
At the time of this printing, full commercial support information was not available. All commercial support will be provided to attendees in advance of the meeting.

PLANNER DISCLOSURES
The planners of this activity disclosed no financial relationships relevant to the content to be presented with the exception of Qihui Jim Zhai, MD who disclosed that he received Grant/Research Support from Springer, LLW and as a member of the Speaker’s Bureau for USCAP, CAP.

FACULTY DISCLOSURES
The faculty of this activity disclosed no financial relationships relevant to the content to be presented.
The Ritz-Carlton, Fort Lauderdale
1 North Fort Lauderdale Beach Blvd • Fort Lauderdale, FL 33304

The Ritz-Carlton Fort Lauderdale is a premier beachfront location offering guests remarkable amenities including an infinity pool overlooking the ocean; direct access to the beach with towel and chair service, a luxurious 8,500 square foot spa, and state of the art room accommodations all equipped with balconies to admire the views of Fort Lauderdale. From discovering the boutiques of Las Olas Boulevard to exploring the canals of the Florida Intracoastal Waterway, Fort Lauderdale is a destination that will surprise and delight travelers.

The FSP has a special discounted room rate of $199/night plus a $20/night resort fee. The group rate is available until June 17, 2019 or until the room block is filled. We recommend that you make your reservation early. We expect the room block to sell out. To make your reservations, call (954) 465-2300 and ask for the FSP room rate.

**IMPORTANT INFORMATION:**
Registration will open on Friday, July 12 from 3:00-6:00 PM. Breakfast will be provided on Saturday, July 13 in the exhibit hall at 7:00 AM, and the first session will begin at 8:00 AM. Book your hotel for Friday, July 12 to take full advantage of the FSP Summer Pathology Conference.

The following amenities and services are included in the resort fee:

- Two beach chairs, one beach umbrella, per day
- Two bottles of Ritz-Carlton water, per day at the beach or pool
- Two signature resort cocktails, per day at Burlock Coast
- One-hour fitness class, per day
- Enhanced high speed, in-room guest internet, wired or wireless
- Two, four-hour bike rentals
- One water taxi pass, per day
REGISTRATION

ONLINE
Registrations for the Florida Society of Pathologists 2019 Summer Pathology Conference will ONLY be accepted online at flpath.org/fspsummer19.

SYLLABUS
A printed syllabus can be purchased for an additional cost at the time of registration. A printed syllabus is not provided unless purchased at the time of registration. A digital syllabus will be provided to all attendees who are registered at no additional cost.

CANCELLATION POLICY
A written notice of cancellation must be received by June 13, 2019 to receive a refund. Cancellations received prior to this date will be honored minus a $100 administration fee. Refunds will not be honored after June 13, 2019. Telephone cancellations cannot be accepted. Cancellation refunds will be processed within 30 days after the conclusion of the conference.

DISCLAIMER
By registering for the Florida Society of Pathologists 2019 Summer Pathology Conference, the attendee understands and agrees that attendee’s name, city, and state may be shared with other attendees and exhibitors. By allowing an exhibitor to scan the conference badge, attendee understands, agrees and consents to the sharing of attendee’s contact information with the company that scanned the conference badge. By registering for this Conference, I also give FSP the right to publish all photos, videos, etc. taken at this conference.

ADA COMPLIANCE
Attendees who need special reasonable accommodations or who have special needs should contact the meeting organizers at (904) 309-6261.

REGISTER TODAY AT FLPATH.ORG/FSPSUMMER19
Thank you for a fantastic continuing medical education program which gets better each year I attend.

MARC S. BUSNARDO, M.D., FASCP, FCAP
